

**ENVIRONMENT POLICY
OF
INDIAN ENERGY EXCHANGE LIMITED**

Approved by Board on March 22, 2023

ENVIRONMENT POLICY OF INDIAN ENERGY EXCHANGE LIMITED

1. INTRODUCTION

Indian Energy Exchange (IEX) is committed to promote sustainable development by protecting the environment. Our environmental responsibilities are driven by our commitment to preserve the environment and are integral to the way we do business.

IEX strive to integrate sound environmental practices across the governance systems to minimize environmental impacts and attain a leadership position in environmental stewardship.

2. PRINCIPLES

This policy is based on the following principles:

- a) Consideration of Environmental factors right from the planning stage, design and operation of project/station to ensure that mandatory principles of conservation and sustainability are adhered to.
- b) Adopting the best possible Environment management practices and state-of-the-art technology to minimize impact of business on Environment.
- c) Our commitment as a responsible corporate citizen is demonstrated by striving to achieve and setting benchmarks not limited to statutory compliance.
- d) Seeking to minimize pollution and use natural resources sustainably.
- e) Engage with internal and external stakeholders and wider communities to broaden our understanding of environmental priorities, their links to global issues and initiate actions on key environmental challenges;
- f) Influence our vendors and value chain partners to adopt the IEX environmental policies, principles and practices and encourage appropriate environmental management across the supply and value chain.
- g) IEX will undertake appropriate action for safe handling, storage and disposal of wastes generated as per relevant rules and policies.
- h) Accepting accountabilities for all operations and expeditiously responding to any aberration.

3. REVIEW AND AMENDMENT

The policy document shall be approved by Board on the recommendations of the CSR & Sustainability Committee. The policy document shall be periodically reviewed on a need basis and any amendments made therein shall be reviewed by the CSR & Sustainability Committee and approved by Board.
